In 2004 the 'Stadspijpers van 's-Hertogenbosch' celebrate a jubilee. It is 20 years ago that the 'Stadspijpers' were re-established. We are organizing a great European Festival of Town Pipers in the weekend of 10- 11- and 12 September 2004 in 's-Hertogenbosch (The Netherlands). Place these dates in your diary and hold them free!!! You will hear about it within a short time.

All the best,

Marcel Ploegmakers.
